- Other courses are opened for rowing, crane and ship's motorists, automobile drivers and motorcycle drivers. These two latter groups are not as large as the two former ones. The number of motorcycles for training purposes is limited. The other courses are also hampered by lack of the proper equipment.
- 5. "The DOSAAF makes no secret of the fact that all these courses and training are of a military nature, in fact, they are referred to as 'voiennaia ucheba' (military training), and in recruiting trainees, the workers are urged to acquire 'voiennye specialnosti' (military specialties)."
